WELCOME TO DIRECT VIP CHAUFFEURS LIMITED

Direct VIP Chauffeurs is a premier Chauffeur Company that has been established since 2002. We pride ourselves in providing luxury vehicles and trained Chauffeurs for hire throughout Greater London and the UK. We have safe, punctual and courteous PCO licensed Chauffeurs that have been hand picked to go that extra mile.

At Direct VIP Chauffeurs our company vision is simple. We believe in quality not quantity. We truly believe that it is better to offer an outstanding level of service to selective clients rather than a mediocre service to many. Whilst Direct VIP Chauffeurs needs to grow, we do not have aspirations to become the biggest but we aspire to be the best.

Keeping our operation properly managed to maintain our high level of service is of utmost importance to us. Both customer care and client satisfaction are considered vital for the continued success of our operation.
